Hale is turning 100!

With more than 4,400 campers each summer, nearly 10,000 participants in our education and adventure programs, an additional 50,000 visitors annually, and an established network of partners in and around Boston, Hale has a long-standing history in Greater Boston. Join us as we celebrate 100 Years of Hale as a Corporate or Individual Sponsor. Proceeds from all events support our efforts to combat the nature gap and promote equity through our programs.
