80 Carby Street, Westwood, MA 02090 Tel (781)326-1770 Fax (781)326-0676 www.HaleReservation.org

Thank you for your interest in the Hale Summer Club High School Volunteer Program. The program is designed to help develop leadership skills as well as get a sense of what it is like to work at Hale Summer Club and Hale. Although volunteering does not guarantee you will get a job, it can help.

There are several areas where the Volunteers participate: The Teen Program, Arts & Crafts, Nature & Adventure, Babysitting, Games, Swimming lessons and Boating lessons. They will shadow the Counselors or Instructors and assist with the programs.

Interested high school students must complete the High School Volunteer Application Form (and supplemental forms). Volunteers will be asked to interview for the positions available, and CORI's and SORI's will be conducted on all volunteers.

Please indicate on your application which weeks during the sessions you will be available to volunteer, and in what area you would be most interested in working.

If you have any questions please do not hesitate to call or email. We look forward to a fun, sunny, and rewarding summer.

2020 High School Volunteer - Teen Program Supplemental Application

*Only needed if you are applying to
volunteer with the Teen Program.*

When volunteering with the Teen Program, you are working with campers who are very close in age to you. You are asked to step into a gray area where you are not yet a staff member, but you are more than a camper, and we understand this can be a difficult step for some. Because we want to make sure our volunteers are extraordinary role models and can handle this responsibility, we ask that you answer the following questions and be prepared for a slightly longer interview.

Please answer questions 1 – 5 on the page prior, as well as the following questions on a separate piece of paper.

1. If you participated in the Teen Program in the past, please describe in detail what your most significant memory of the program was. If you have not, please write a description of what you think the program is. If you did not participate, please describe what you expect the program to offer to participants.
2. Is it more important to be the best on the team and have no friends, or have many friends and be the worst on the team? Explain why.
3. You are walking with your best friend down the hall when they grab a 6th grader's backpack from off his back and hold it over his head, taunting him because of his height. What do you do?
4. In a moment of weakness, you steal \$20 out of your mother's purse. When questioned about it, what do you do/say?
5. Draw your ideal camper with exaggerated features. For example, if the ideal camper has a big heart, draw a giant heart in the center of her chest. If the ideal camper is strong, draw big muscles. Explain your drawing when you are done.
